#### Old Business

1. Indian Relay Races at the Fairgrounds - Maggie Yount thanked all who helped with parking cars. Payment for this event is yet to come.
2. Baker Boyer Anniversary November 10<sup>th</sup> at the Fairgrounds. Maggie Yount stated that she needs volunteers to help with this event. Volunteers would need to arrive by 2:00pm and shift would be from 3:00pm-6:00pm. After hearing that we donated to charities at the end of the year, they offered to pay us \$500 instead of \$250, so this is a great opportunity to help toward that cause!! Held in the Pavillion with food and fireworks to follow.

#### New Business

1. Nominations and elections of officers will be held at the November meeting. Rocky Rodenberg volunteered to stand for President again unless someone else would like the position (he also indicated that he would like to have the same "support staff").
2. Need a location for the November meeting. It was agreed to check with the following restaurants for availability: Clarette's, The Olive, Chiquillas. After the meeting, Marcie Odom contacted Clarette's and they confirmed they were available. **SO THE NOVEMBER MEETING ON THE 5<sup>TH</sup> WILL BE AT CLARETTE'S!!!**
3. Choices for our yearly charity donations will be made after the first of the year.
4. Should we change the month of our annual picnic (since we had a low turnout)?? This question was tabled to a later meeting.
